## STORIES FROM THE RED COUCH

CELEBRATING 99 YEARS OF  
FAMILY JOURNEYS AT THE CRADLE

REGISTER @ [REDCOUCH.CRADLE.ORG](https://redcouch.cradle.org)

Join us for the premiere of a 45-minute, Hollywood-produced film about adoption during The Cradle's 99th Anniversary Livestream Fundraising event.

In the new film, *Stories From the Red Couch*, Cradle Adoptive Dad and Hollywood producer Dan Lanigan has beautifully captured 99 years of The Cradle's work through emotional, uplifting and inspiring stories of adoption. Watch 10 Cradle families as they return to The Cradle's beloved red couch to explore the beauty and complexities of adoption and share their experiences of working with The Cradle. **There is no fee to register.** There will be opportunities to donate throughout the night to ensure The Cradle continues to support children, families, and the community.
